Shenandoah Nurseries

A. F. LAKE, President R. S. LAKE, Sec'y-Treas.

SHENANDOAH, IOWA

READ TERMS OF SALE BEFORE ORDERING

To those who are not acquainted with our firm, would say that this business was established in 1870 by D. S. Lake.

We are located in Southwestern Iowa, fifty miles southeast of Omaha, Nebraska. The soil here is especially adapted to the growing of a general line of nursery stock. The railroad facilities are excellent. We are on the Wabash, Chicago, Burlington and Quincy, and Keokuk and Western railroads. We take pleasure in showing visitors over our grounds at any time.

TERMS OF SALE

SHIPPING—With the exception of Evergreens and some heavy shade trees we are in position to ship assorted orders all through the winter, and can as a rule get refrigerator service, although we do not guarantee this. Can begin to dig trees in this latitude usually about October 1, for Fall delivery and March 10 for Spring delivery. Parties ordering goods should indicate whether they wish them sent by freight, express or parcel post, also route. In the absence of these instructions, we forward them to the best of our judgment, but in no case will we assume responsibiliy after consignment to purchaser. When losses occur by delays or other causes of whatever nature while goods are in transit, make claim AT ONCE on the forwarding companies. All shipments travel at the risk and cost of the purchaser.

TERMS—Cash or security before shipment of goods, except with established firms, when, if unknown to us, satisfactory references will be required before goods are forwarded. Orders to be sent C. O. D. should be accompanied by one-fourth cash.

PRICES—Are limited to Fall 1927 and supersede all previous lists and are subject to change without notice. On amounts of 5 and over apply ten rate. On amounts 25 and over apply 100 rate. On amounts 250 and over apply 1000 rate.

CAUTION—We accept all orders upon condition that they shall be void should any injury befall stock from frost, fire, hail storms, or other causes over which we have no control.

SUBSTITUTION—If you wish us to substitute in case we are sold short of any variety ordered, please so state, as we do not substitute unless requested to do so.

CLAIMS—FOR ANY CAUSE WILL RECEIVE CONSIDERATION ONLY WHEN MADE WITHIN TEN DAYS AFTER THE ARRIVAL OF GOODS AT DESTINATION.

PACKING—Prices contained herein are net; cost of boxing and baling will be added. No charge is made for loading bulk cars.

GRADES—We grade carefully; in some cases by caliper, in others by height. When graded by both caliper and height, the caliper must govern.

CERTIFICATE OF INSPECTION—Will be furnished with each shipment.

GUARANTEE OF GENUINENESS—IF ANY NURSERY STOCK, ETC., PROVES UNTRUE TO DESCRIPTION UNDER WHICH IT IS SOLD, WE HOLD OURSELVES IN READINESS ON PROPER PROOF, TO REPLACE ALL SUCH NURSERY STOCK, ETC., THAT MAY PROVE OTHERWISE, OR REFUND THE AMOUNT PAID, BUT WE SHALL IN NO CASE BE LIABLE FOR ANY SUM GREATER THAN THE AMOUNT ORIGINALLY RECEIVED FOR SAID NURSERY STOCK.

FRUIT TREE STOCKS—AMERICAN GROWN

You are sure to get the kind of seedlings you want if you order from us. Seedlings that are vigorous, healthy, well matured, and graded right, will be used in filling our customer's orders. We feel confident that you will find no better grown in the United States.

They are grown in the rich black soil of the Kaw Valley in Kansas. During the growing season we are cultivating and spraying constantly, and the result is a healthy vigorous seedling. They will be left in the ground this Fall until they are thoroughly matured.

There is added expense in growing this kind of seedlings, but the satisfied customers we have are well worth all of our efforts. We have been in the seedling business for almost sixty years, and are constantly trying to better our methods in producing just what you want in seedlings.

We are also going to be in position the coming season to furnish our customers with Washington grown Apple Seedlings, if preferred.

We have combination cars to various points over the country. Where we can include your order in one of these cars and save you freight, we are more than glad to do it.

We wish to call attention to the fact that these goods are sold net at Shenandoah We take all risk of transportation and pay all charges from France to this place. This is a very important point for customers to remember.

The loss that occurs from these long shipments does not affect our customers as we open the boxes and grade out the damaged seedlings and guarantee our stock to be in good condition when it is delivered to the forwarding agent at Shenandoah.

We are prepared, however, to quote prices on application, F. O. B. cars Angers, France, and customer paying duties and charges to destination, also taking all risks, or, we will quote prices out of customs at New York, and ship direct from there.

A government inspector is stationed at Shenandoah most of the winter and he inspects all imported stocks.
